## ... out of nowhere, out of silence – an ocean of sound

CD

### Axel Schultheiss

#### On Wings

...out of nowhere, out of silence - clouds of sound, pour into eternal spaces, build up and invitingly embrace the listener. Trancelike grooves break forth and weave an unescapable network of crossing and staggering lines, like forming a musical knot, from which melodic and rhythmic figures unfold and let the listener dive into a sea of sound, groove and melody.
