An exquisite fusion of jazz and flamenco

CD

El Niño Machuca

Searching your South | Buscando tu Sur

Paco „El Niño“ Machuca has forged a unique personal style fusing the jazz-guitar with flamenco-rhythms derived from the tangos and bulerías. On his solo debut *Searching your South | Buscando tu Sur*, the Sevilla-born guitarist, composer and arranger is demonstrating his sonic vision with a blend of power and elegance as well as an unwavering feeling for harmony and rhythm. The sound of the album is warm and transparent - a characteristic trademark of the Ozella production philosophy.
