## From the Darkness: Mara & David Find Moments of Collapse and Brightness on *Call it Freedom*

CD-Audio

### Mara & David

#### Call It Freedom

With an organic finesse, German singer-songwriter duo **Mara & David** meld rock drive with classical technique. After a period of personal struggle—including an ongoing coming-to-terms with the duo's visual impairments—the two musicians have found a new sense of urgency and joy on *Call It Freedom* (Songways/Ozella Music; release date: August 30 2013), the follow up to *Sixteen Secrets* and *Once We Were Gods* (both on Songways/Ozella).

Mara & David's thoughtful songs—animated by von Ferne's sometimes earthy, sometimes delicate voice and Sick's stunning, percussive playing—move from childhood sanctuaries ("Cherry Tree") to personal crises ("Like A Stranger"). They grapple with the difficulties of finding an ethical, compassionate place in an unjust world ("Call It Freedom") and with turning the dark night of the soul into a burst of breathless light.
