

„She has impressive technical skills, but she’s also emotionally engaging and honest. And she’s a charming lyricist” Joseph Taylor, GOOD SOUND! about *RED*

Randi Tytingvåg

Grounding

Those intimate with Randi Tytingvåg's widely acclaimed albums *Let Go* and *Red* are in for a surprise: On *Grounding*, Tytingvåg's love for jazz and chanson has remained intact, but is now complemented by her talents as a singer-songwriter perfectly familiar with the British-Nordic spin on pop-music. With an equally precise and expressive voice, Randi is singing about the advent and decay of love, her own „Impatience” and about hopes worth fighting for.

The music on *Grounding* is a unique blend of airiness, immediacy and melancholy. And despite its occasional lightness of tone, there is always a plethora of serious topics boiling underneath the surface.
