WILFRED

Wilfred

Norwegian band Wilfred create an organic sound brimming with enthusiasm and sensibility

Although Norwegian band Wilfred would seem perfectly at home in New York, L.A. or Seattle, their classic Rock'n'Roll sound has a decidedly global ring to it. Thanks to its refined combination of monolithic Guitar-Rock and vivid Songwriter-Pop, the trio's debut album instantly turns them into an act to watch out for in the future.

"Their debut album starts fresh with a tough drive in the nineties and seventies influenced sound, with vocals that seem inspired by a Neil Young / REM. Wilfred downbeat pop-rock merged with country, the result is simple but good and stablepop melodies. All 11 songs have much variety of character. Listen to "Blue eyed angel" its distinctive sound with noise elements and vocal development."
