Audio CD**Dagobert Böhm**  
**Within A Dream**

After a life-threatening illness, Dagobert Böhm returns with a collection of dreamy pieces between folk and jazz.

On it, Böhm's sensitive guitar lines are complemented by Fender Rhodes, vintage synthesizers and discrete electronic beats. Guests like Karl Seglem on Saxophone, Knut Hem on dobro as well as pedal-steel and percussion virtuoso Ómar Guðjónsson add further impulses.

*Within a Dream* is not supposed to turn the world of music upside down. It's just supposed to make it a little more beautiful – more dreamlike, if you will.

**Ultra-short:**
