

## Chamber Music Reloaded

CD

### Trio Bravo+

Trio Bravo+

Romantic, bittersweet and delicate: Mark Chaet's violin rises to blissful flights on top of hypnotic piano- and drum-grooves.

Plus contains brand-new tracks as well as re-recordings of „classics“ culled from fifteen years of Trio Bravo+.

Various guest musicians are supporting the ensemble's multinational line-up, resulting in an hour of musical energy, speed, humour, touching ballads and the pure joy of performing.

„Wolga-Flüsschen“ closes the album on a note of wistful memories - a remaster from the ensemble's debut „Auf dem Weg“.
