## Mara & David

### Once We Were Gods

With their second album *Once We Were Gods*, these two easily topped the benchmark they set for themselves on their debut album, *Sixteen Secrets*. David's guitar playing communicates delicately and hauntingly at once with Mara's warm, soulful, yet crystal clear voice. Mara's voice is insistent, even demanding at one moment, and then in the next comes around with a warmth you never would have suspected just a second before. David's guitar playing is as virtuoso as it is perfect, above all it's always at the same emotional level as the songs he enriches with a myriad of original facets.
