Somewhere beyond the rainbow...

SW 503CD / 3 CD BOX

## ROGER MATURA

the Return of the CaveMan  
auf wiedersehen zukunfft!?

For Roger Matura music is an inexhaustable field of experiment – and has been so for a good three decades. Retrospect and foresight at the same time: the 3-CD Box ‚the Return of the CaveMan / auf wiederseh'n zukunfft!?' and the Cover-Collection ‚Give My Regards to Waterloo Station'. As a frontier runner between folk and blues, jazz and rock, the singer, songwriter and guitarist hits his listeners in the middle of their hearts with his fragile raspy voice, catchy and unforgettable melodies and lyrics that take up arms to fight for love and life.
