

## A European-African friendship under the Ibiza sun

Audio CD

### Na Lengo

#### Ingoma

Africa meets Europe in this relaxed fusion of jazz, flamenco, pop and African music straight from sunny Ibiza. Based on harmony and friendship Na Lengo's debut Ingoma is full of surprising turns and an air of melancholy.

Walter Quintus' production is both warm and soft without taking too much edge off the jazzy African nuances. Within all the harmony there is always space for surprising turns and changes in the arrangements, put forward by percussion and Guse's versatile and virtuoso guitar.
