

Playing Is A Way Of Going Deep

CD

Randi Tytingvåg

Let Go

With her new album *Red*, Norwegian singer/songwriter Randi Tytingvåg has catapulted straight to the top of the European jazz-crossover scene. Now Randi follows with her second album *Let Go*.

The artist has been on a par with the likes of Rebekka Bakken, Silje Nergaard or Beady Belle for a long time in Norway, and already shows on this album all the qualities she later utilizes on *Red*, easily blowing genres completely away. *Let Go* features a wonderful musical ease, tapping into chanson, tango, classical, pop, avantgarde and klezmer sounds, and at the same time delivers tremendous dynamics, highly expressive singing, and an enormous wealth of melodies and inventive arrangements.
